

CHANGES TO THE MANUAL

Introduction

The first version of the manual was first published on 1 December 2006, after a draft had been published. This document records the changes made since.

Changes during 2007

Local flying rules and procedures

- Coloured wind socks
- Minor rewording

Visiting Lasham by air

- The smoothness of the runway edges cannot be guaranteed. This is mentioned in the local flying rules but omitted from the notes for visiting pilots.
- Sequence of paragraphs changed
- Paragraph on circuits added
- Minor wording changes

Single seaters

- New section on Surrey & Hants gliders

Facilities

- Note that the entrance to Lasham village should not be used unless visiting the village
- Minor changes to wording

Who's who

- The changes to the Committee of Management and sub-committees recorded

Care & use of parachutes

- Removal of blank space

Ground handling

- Further caveats added (not really a change in procedure)
- Minor typo corrected

Health and safety on the airfield

- Minor typos corrected

Learning to fly at Lasham

- Minor rewording

Post solo

- Single seaters
- Minor rewording

Training syllabus

- Minor typo corrected

Changes during 2008

Who's who

- Updated

Single seaters

- New section

Post solo

- Removed references to Surrey & Hants
